THE EYES ARE THE KEY, THEN FINISH.

Acocrdnig to an elgnsh uivnesitry sutdy the oredr of letetrs in a wrod dosne't mtttaer. The olny thnig ttha's trluy iopmranntt is taht the frsrit and lsat ltter of eevry wrod is in the crcreot ptoision. The rset can be jmbueld and one is stlil albe to raed the txet wiohtut dclftfuiiy.

When a play starts, your eyes have to be right to do right. In order for your eyes to be right, you must understand the 4 A's: ALIGNMENT, ASSIGNMENT, ADJUSTMENT and AGGRESSIVENESS.

The rest of each play is organized chaos that you cannot control. The 2 things you control are how you start and how you finish. Everything in between will then take care of itself.
